

For the believers, *by the believers*

For the believers, *by the believers.*

Brought to you by the visionaries and the game changers, whose unrelenting standards for their quality of life, their refusal to settle for mediocrity and who see the world as their oyster - Zimbali Lakes has made us believe in the impossible.

Zimbali Lakes has fused state-of-the-art lifestyle amenities, natural elements and modern estate luxury design - all in one place that you get to call your new home. Sprawling over 300 hectares on the KZN North Coast - this estate is the true jewel of one of the fastest-growing property nodes in South Africa and is the paradigm of multi-generational living; offering professionals, families and retirees the opportunity to live their legacy.

Designed to enhance and protect the surrounding landscape and its fauna and flora, Zimbali Lakes presents a rich blend of luxury living, pristine wild beauty and landscape. For ultimate leisurely living, residents are spoilt with a world of choice for dining, entertainment, sports and recreational facilities.

Granted its idyllic positioning, the estate has quick and easy access to the M4 and N2 highways - is a 15-minute drive to King Shaka International Airport and just a short drive to the bustling hubs of Balito, Umhlanga and Sibaya.
